

PlaceShapers - Agreed Vision

PlaceShapers are distinctive. We build more than homes - we shape communities and unite around shared values as a voice for change.

I. What we stand for

- a. A network of independent, diverse, people-centred organisations
- b. Communities and collaboration
- c. Being more than landlords
- d. Building and providing good homes across all tenures as a foundation for a successful life
- e. Social justice and alleviating poverty - securing a better deal for people and enabling them to fulfil their aspirations
- f. Unity around shared values
- g. Positive behaviours - tolerance, humility, compassion, support, flexibility, innovation, responsiveness

II. What we are

- a. A respected and valued body, able to influence Government & policy makers
- b. An authentic and credible voice for community based housing associations
- c. An inclusive and collaborative organisation with, learning from each other and others
- d. A values-driven network with locally focused members that continues to grow and has strength in unity
- e. A problem solver focussed on positive solutions
- f. Agile, responsive and energetic
